College Track Mentorship

Compensation
Mentors receive a stipend of $7,500 each year during the first two years while they facilitate regular group and one-on-one sessions.

Weekly Group Meetings
Mentors host weekly 2-hour workshops for all members of their College Track cohort during the first two years of their cohort’s time on campus.

One-on-ones
Each mentor meets biweekly with each Mentee for hour-long one-on-one conversations.

Mentor Meetings
College Track mentors participate in the Center for Academic Equity’s mentor development meetings in which mentors get together with others to share their experiences, connect to campus resources, and find support for their role as a mentor

Conversations with Local College Completion Conversations
Mentors schedule weekly discussions with their students College Completion Advisor(s).

Social/fun activities
Mentors plan activities which allow students to bond and expose them to Tulane and New Orleans’s rich cultural heritage.

Large Group Meetings
Mentors are expected to attend the large group meetings held each fall. In their cohort’s senior year, mentors are expected to participate in the graduation celebration.

Mentor Retreat
The Center for Academic Equity hosts a yearly retreat for all mentors in May. The retreat welcomes new mentors, provides an opportunity for fellowship and celebration while enhancing mentor training and planning for the new academic year.

College Track Mentor Training
College Track's New Orleans office invites Mentors to a training session hosted during August of each year.

On-campus training
The Center for Academic Equity provides ongoing mentor development through mentor meetings held biweekly throughout the academic year, and the Mentor Retreat held in May.

Posse Mentorship

Compensation
Mentors receive a stipend of $12,000 each year during the first two years while they facilitate regular group and one-on-one sessions.

Faculty Mentors also receive a course release each semester for the first two years during their Mentorship.

Weekly Group Meetings
Mentors host weekly 2-hour workshops for all members of their Posse based on the and Posse curriculum. Mentors personalize the workshops and make adjustments based on the academic calendar, etc.

One-on-ones
Each Mentor meets biweekly with each member of their Posse for hour-long one-on-one conversations. These sessions are usually scheduled as five appointments each week.

Mentor Meetings
Posse Mentors participate in the Center for Academic Equity’s Mentor development meetings in which Mentors get together with others to share their experiences, connect to campus resources, and find support for their role as a Mentor.

Conversations with Trainer Conversations
Mentors schedule weekly discussions with the trainers in the local Posse office in the city from which Posse scholars originate.

Social/fun activities
Mentors plan activities that allow students to bond and expose them to Tulane and New Orleans's rich cultural heritage.

Campus Visits
Mentors participate in all Posse Campus Visits in the fall and spring semesters.

PossePlus Retreat (PPR)
Mentors attend the PPR held (late February/early March) each year. This three-day event includes workshops and activities with Posse scholars and Plusers (including non-Posse students, faculty, and staff).

Graduation
Mentors attend the Posse Graduation (held at 10 AM on the Thursday before Commencement).

CAE Mentor Retreat
The Center for Academic Equity hosts a yearly retreat for all Mentors in May. The retreat welcomes new Mentors, provides an opportunity for fellowship and celebration while enhancing Mentor training and planning for the new academic year.

Due date for this application is October 15th, 2021 at 5pm
Name:

Please respond to the questions below.
1. Have you mentored students in the past? If so, in what context(s)?
2. Why do you want to be a POSSE or COLLEGE TRACK mentor?
3. What are your experiences working with students from diverse backgrounds?
4. Tell us about your knowledge of student support services on campus.
5. Do you expect to be working at Tulane through 2025?
